BAY STATE BIKE MONTH
IN THE PIONEER VALLEY

2023 ANNUAL REPORT – FINAL
SEPTEMBER 2023

Prepared by the Pioneer Valley Planning Commission
for the Pioneer Valley MPO
Notice of Nondiscrimination Rights and Protections to Beneficiaries Federal Title VI/Nondiscrimination Protections

The Metropolitan Planning Organization (MPO) operates its programs, services, and activities in compliance with federal nondiscrimination laws including Title VI of the Civil Rights Act of 1964 (Title VI), the Civil Rights Restoration Act of 1987, and related statutes and regulations. Title VI prohibits discrimination in federally assisted programs and requires that no person in the United States of America shall, on the grounds of race, color, or national origin (including limited English proficiency), be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination under any program or activity that receives federal assistance. Related federal nondiscrimination laws administrated by the Federal Highway Administration (FHWA), Federal Transit Administration (FTA), or both, prohibit discrimination based on age, sex, and disability. The Pioneer Valley Region MPO considers these protected populations in its Title VI Programs, consistent with federal interpretation and administration. In addition, the Pioneer Valley Region MPO provides meaningful access to its programs, services, and activities to individuals with limited English proficiency, in compliance with U.S. Department of Transportation policy and guidance on federal Executive Order 13166.

State Nondiscrimination Protections

The Pioneer Valley Region MPO also complies with the Massachusetts Public Accommodation Law, M.G.L. c 272 §§ 92a, 98, 98a, which prohibits making any distinction, discrimination, or restriction in admission to, or treatment in a place of public accommodation based on race, color, religious creed, national origin, sex, sexual orientation, disability, or ancestry. Likewise, the Pioneer Valley Region MPO complies with the Governor’s Executive Order 526, section 4, which requires that all programs, activities, and services provided, performed, licensed, chartered, funded, regulated, or contracted for by the state shall be conducted without unlawful discrimination based on race, color, age, gender, ethnicity, sexual orientation, gender identity or expression, religion, creed, ancestry, national origin, disability, veteran’s status (including Vietnam-era veterans), or background.

English: If this information is needed in another language, please contact the PVPC Title VI Specialist at 413-781-6045. Spanish: Si esta información es necesaria en otro idioma, por favor contacte al especialista de PVPC del Título VI al 413-781-6045.
ACKNOWLEDGEMENTS

This report was prepared in cooperation with the Massachusetts Department of Transportation, the U.S. Department of Transportation - Federal Highway Administration and Federal Transit Administration, and the Pioneer Valley Transit Authority. The views and opinions of the Pioneer Valley Planning Commission expressed herein do not necessarily state or reflect those of the U.S. Department of Transportation.

BICYCLING IN THE PIONEER VALLEY

In 2023, the Pioneer Valley Planning Commission (PVPC) continued to partner with various public and private organizations to encourage bicycling in the Pioneer Valley. In collaboration with municipalities, advocacy groups, and businesses, PVPC promoted public awareness and advocated for policies and programs that encourage bicycling.

BIKE MONTH OVERVIEW

INTRODUCTION

PVPC has been raising awareness about the importance of bicycling through working with local coordinators to organize a month full of bike related events in Hampden, and Hampshire counties, The effort aims at galvanizing the energy of local government officials, promoting events in the media, recruiting citizen volunteers, and encouraging the participation of local businesses.

Events for Bay State Bike Month 2023 were held from Saturday, May 6th to Saturday, June 10th. This is the 24th year that the Pioneer Valley Planning Commission has coordinated this initiative in the Pioneer Valley region. It was known as Bike Commute Week until 2019. During the past four years, it became a month of events to encourage participation throughout the region.

During the past several years, MassBike has taken a leading role in organizing this statewide initiative with biking groups across the state of Massachusetts. MassBike maintains a website and encourages event hosts throughout the state to list their event happenings to allow participants a one stop shop to find bike events of interest during this month. MassBike also promotes the Bike to Work Week designated by the American League of Cyclists which has been the impetus for past Bike Commute Week events in MA and the Pioneer Valley. Again, this year MassBike introduced bike challenges to encourage participants to get into gear for the season.

PVPC staff created a poster listing local bike events in the Pioneer Valley Region during the Bay State Bike Month 2023 and posted it on the PVPC’s agency website. The media relations staff at PVPC posted the events to the PVPC Facebook and twitter pages to allow connected individuals and organization to spread the word about various bike events. There were a couple of self-guided activities added more flexibility to allow people to take part at their own pace and engage at their own comfort level. This year again featured the popular bike breakfast hosted by few partners throughout the region during Bike Month with sponsorships by local food businesses, such as River Valley Market, Tandem Bagel, Big E’s supermarket, and Grannies Baking Table.

EVENTS AND HOST COMMUNITIES

Planning for Bay State Bike Month began in March 2023. At the first planning committee meeting, there were six attendees from various organizations. They agreed to continue to hold a Bike Month to allow flexibility in scheduling events and encourage participation by various
local communities over a longer period. They joined the statewide annual Bike Month held in May and synchronized their efforts with the League of American Bicyclists in designating May 15th to the 21st of 2023 as Bike Commute Week.

More than 20 events were held during the 2023 Bay State Bike Month in the Connecticut River Valley. These events took place in Amherst, Easthampton, Greenfield, Hatfield, Holyoke, Northampton, Northfield, Springfield, Westfield and Whately. Events were held during various times of day and days of the week to reach as many bicycle enthusiasts and potential cyclists as possible. Local events in order of occurrence included the following:

- Hatfield: Introduction to Recreational Road Riding
- Springfield: Riding to Make Roosevelt Ave. Safe
- Northampton: 4th Annual Art Wall
- Whately: Intro to Recreational Road Cycling
- Northfield: Northfield Mountain Ride and Relicensing Education Session
- Springfield: 2nd Annual Mural Ride
- Westfield/Hadley: Bike for Bagels on the Trails
- Greenfield: Franklin County 2023 Bike Breakfast
- Northampton Bike Breakfast
- Easthampton: Bike to the Northampton Bike Breakfast from Easthampton
- Westfield: Ride of Silence
- Holyoke: BikePed in the City
- Northampton: Fish Migration Bike Party
- Springfield: Bike to Beignets
- Northampton: 4th Annual Great Tree Bike Tour
- Hatfield/Whately/Deerfield: AMC 25 Miles Ride of Farms and Quiet Roads
- Holyoke: Mayoral Bike Ride
- Westfield: Mayor’s Bike Ride
- Northampton: The 29th Garden Tour by Bike
- Amherst: Wednesday Night Rides

The following images depict various activities held in the Pioneer Valley region during the month of events. The following are images of the Northampton Bike Breakfast activities organized by the Friends of Northampton Trails group. The event included various speakers and tent booths by bicycle businesses and sponsors such as: Speed and Sprocket Cycle Works, River’s Edge Cycling, Northampton Cycling Club (NCC), New England Mountain Bike Association (NEMBA), Appalachian club, and local radio station WHMP.
Northampton Bike Breakfast
Several events had an artistic theme for their bike activities as shown by the following images. The first image shows an activity venue that offered an outlet for expression to users of the Northampton trails on the poster boards mounted to fence along the Northampton Rail Trail during the annual Art Wall activity in celebration of Bike Month. The second image is for one of the murals along the annual Mural Ride in Springfield, which displays larger than life scale images of famous basketball players in action.

Northampton Art Wall

Mural Ride in Springfield (Image Courtesy of WalkBike Springfield’s Second Annual Mural Ride)
The third artistic event combined decorative crafts with a nature trip following fish migration path through the valley’s river and tributaries. The images below depict the Northampton bike party, where cyclists decorated their helmets with fishtail shapes using colorful craft paper.

Fish Migration Bike Party in Northampton (Images courtesy of Friends of Northampton Trails)

Bike Month events aim to encourage residents of the Pioneer Valley to get on their bikes or join by foot and replace car trips with green, active modes of transportation that promote good health and reduce the emission of greenhouse gases. These initiatives encourage mobility independence using transportation alternatives to the single occupancy vehicle. The various bike challenges also encourage people to commute by bike and make biking part of their regular travel.

PARTICIPATION

There was good participation in the Bike Month activities and more attendance this year at recurrent popular annual events. Participants displayed a wide range of riding levels and motivations for riding bicycles. This shows the continued success of initiatives that raise awareness about the importance of bicycling in the Pioneer Valley. It also demonstrates the
need for ongoing and sustained funding for bicycle infrastructure, improvements to trails, safety education, and bicycling activities in the Pioneer Valley. The next image is of the participants in the Mayoral Bike Ride in Holyoke through the city center.

A List of events by community is shown in the table below. Event partners reported an estimate of over 700 participants at ten of the twenty-two events held this year. A couple of events were canceled due to rain. Another two events had no show on the day of the event. A fair level of participation at the rest of the events was expected, though not reported.

*NR Not Reported
New partners joined the month-long initiative this year in addition to last year’s. They offered a few more in-person events, an improvement on last year’s lineup. The following map displays locations of this year’s events and highlights participating communities.
GIVE-AWAY MATERIALS

Bike Month themed stickers were made available this year by MassBike at select event locations. MassBike also offered educational materials related to the new Massachusetts Vulnerable Road Users Laws that required motorists to allow four feet when passing. Other giveaways this year included breakfast items hosted by several partners, and Beignets by Granny’s Baking Table in Springfield.

WEBSITE AND SOCIAL MEDIA

MassBike hosts and maintains the website www.baystatebikemonth.org. This site provides information about events happening across the state, shown by town on a map as well as a list of events scheduled. PVPC staff posted the Poster of the events happening in the region to their bulletin boards and made copies available for partner communities and dropped off copies at business partner locations. In addition, PVPC used its social media platforms, Facebook and Twitter, to promote events across the region. Local news covered some of the events such as MassLive News Channel, Western Mass News, 22 News and the Reminder; which can be viewed at the following weblinks:

https://www.thereminder.com/localnews/holyoke/mayoral-bike-ride-showcases-bike-friendliness-of-h/

Local coordinators and partnering organizations, in many of the participating communities, posted announcements on their own websites and social media platforms to disseminate information about events they were hosting. Screen captures of their social media postings that advertise their events are included in the Appendix at the end of this report.

The images below depict the Bay State Bike Month 2023 announcement of events in May in the Pioneer Valley, as posted in the PVPC Facebook and Twitter pages.
POSTERS

A color poster (11-inch by 17-inch) listing all events in the region, was a key component of advertising the Bay State Bike Month in the Pioneer Valley. Electronic files of this poster were emailed to partners throughout the region. Printed posters were distributed upon request with a concentration in the towns that hosted most events. The poster was created by the graphics staff from PVPC. Poster is displayed on the next page.
Bay State Bike Month in the Pioneer Valley – 2023 Annual Report

2023
Bay State Bike Month
Events For Everyone in the Pioneer Valley

Saturday, May 6, at 10:00 AM
AMC: Introduction to Recreational Road Riding
Advance registration required for location details in Hatfield. For people new to recreational group cycling. 14 miles mostly flat, relaxed, group riding (9-11 mph). Safety/riding instruction and helmet fit check. Build confidence, learn bicycle upkeep, prepare for challenging rides. Ride: hybrid bike and a helmet needed.

Thursday, May 11, at 6:00 - 9pm
Riding to Make Springfield’s Roosevelt Ave. Safe
A Bike Audit: Help Walkbike Springfield improve the cycling safety of the 3.3-mile Roosevelt Ave. Bicyclists to document safety issues from East St. (return to Central) and then to Alden St. (and return) – total 6.6 miles. Foam noodles will demonstrate the 4-foot distance that vehicles must provide “vulnerable road users” per the newly enacted legislation. Springfield Central High School 1840 Roosevelt Ave, Springfield.

Friday, May 12, at 12:00am - May 23, 2023
Northampton Art Wall
The Art Wall provides a safe space for people to share their trail-related doodles, drawings, poetry & thoughts. The Art Wall is located behind Taco Bell at the intersection of the MCRT and the NHNCC trails, 203 King St Northampton, MA.

Saturday, May 13, at 10:00 AM
AMC: Intro to Recreational Road Cycling - Whatley
Advance registration required for location details in Whatley. For people new to recreational group cycling. 15 miles mostly flat, relaxed, group riding (9-11 mph). Safety/riding instruction and helmet fit check. Build confidence, learn bicycle upkeep, prepare for challenging rides. Ride: hybrid bike and a helmet needed.

Tuesday, May 16, from 12:00 pm - 3:00 pm
Northfield Mountain Ride and Relicensing Education Session
Learn to get involved with the FirstLight Relicensing and join a led group ride hosted by Bicycle World on the beautiful trails at Northfield Mountain. Intermediate ride pace, but with some technical hilly terrain so bring your climbing legs!
Northfield Mountain Recreation and Environmental Center 99 Millers Falls Rd, Northfield. Sign up here to save at the trailhead: https://x.gdln.io/to/35UqCj6

Sunday, May 14, at 10:00 pm
Walkbike Springfield’s Second Annual Mural Ride
Starting at the Seuss character mural under Route 91 at East Columbus & State St. (parking available at entrance to Riverfront Park). Slow mostly flat ride to the South End, then to the North End visiting over 20 murals. Ending at Dreya Way on Worthington Street.

Sunday, May 14 and May 28 at 3:00 pm
Bike for Bags on the Rail Trail, Westfield, MA or Hadley, MA
Alternating locations. Westfield, please park near the Rail Trail at Westfield Stop & Shop and in Hadley behind the Hadley Walmart. Locations alternate each week. This is a 20 mile round trip ride. Please contact Dnael@hololoyokemca.org/ Hololock Urban Bike Shop in advance to verify which location falls on either date.

Tuesday, May 16, at 8:00am – 9:30am
Franklin County 2023 Bike Breakfast
Celebrate Bike Week with the Franklin Regional Council of Governments and the Franklin Regional Transit Authority at the Transit Center near concourse. Juice, coffee, fruit, and some sweet treats will fuel your morning bike commute.
J.W. Oliver Transit Center, 12 Olive St, Greenfield.

Wednesday, May 17, at 7:30am – 10am
Northampton Bike Breakfast
Walk, ride or rol-in to a simple outdoor breakfast with other cyclists and their families. A variety of bike clubs, advocates and reps will be on site promoting the many benefits of biking in our communities. Enjoy a free bagel, coffee, fruit, and pastries on your way to work or to simply start your day in style. Corner of Merrick Lane and King St. near Calvin Theater and Hotel Northampton in Northampton, MA, Friends of Northampton Trails.

Wednesday, May 17, at 8:00am – 12pm
Bike to the Bike Breakfast from Easthampton
Ride 4 miles with us on the trail to Easthampton’s Bike Breakfast (a Bay State Bike Month Event). Enjoy the festivities and return. Or continue riding through Leeds, Haydenville, Florence, and back to Easthampton on trails/roads (25 miles of rolling terrain). Leaders and cue sheets provided.
Millis Park, 2 Ferry St, Easthampton.

Wednesday, May 17, at 7:00pm - 8pm
Westfield: Ride of Silence
Cyclists will take to the roads in a silent procession to honor cyclists who have been killed or injured while cycling on public roadways. The Ride of Silence is a free ride that asks its cyclists to ride no faster than 12 mph, wear helmets, follow the rules of the road, and remain silent during the ride. Westfield Middle School, 30 W Silver St Friends of the Columbia Greenway Rail Trail

Thursday, May 18, from 6:00 pm - 7:30 pm
Fish Migration Bike Party
Connecticut River Conservancy is partnering with Friends of Northampton Trails on a family-friendly, ride that follows the fish that migrate up the Connecticut River and its tributaries. This ride will be educational and fun! Join us! Pre-registration at Fish-Migration-Bike-PartyEventBrite.COM Meet in Pulaski Park, Main St. Northampton.

Friday, May 19, from 7:30 am - 10 am
Bike to Beignets
For Bike-to-Work Day - All cyclists will get a free order of beignets at Granny’s Baking Table, 309 Bridge St. Springfield

Friday, May 19, at 12:00am - May 31
Great Tree Bicycle Tour, Northampton and Florence Neighborhoods
This self-guided tour of 11 majestic trees! Map / brochure available online at Friends of the Northampton Trails on Fri May 19. QR based audio files provide a clear description of each tree and its attributes. The 10-mile round trip is suitable for all skill levels. Participation is free. Roundhouse Parking lot in Northampton, MA

Saturday, May 20, at 10:00 AM
AMC: Twenty-Five Miles of Farms and Quiet Roads
Advance registration required for location details in Hatfield. Scenic 25-mile group ride in Hatfield, Whately, and Deerfield. Starts flat and climbs (600 ft ascent), Semi-rural with cows, horses, and goats. A moderate 12-14 mph with stop for snack. Functioning road bike, helmet, snack, water, paper tube needed.

Wednesday, May 24, at 5:30pm - 7pm
Westfield: Mayor’s Bike Ride
Join Mayor McClae and the Friends of the Columbia Greenway Rail Trail on a bike ride through Westfield and on the Columbia Greenway Rail Trail to celebrate Bay State Bike Month! This is a family-friendly event and helmets are recommended.
Westfield City Hall in Westfield, MA.

Saturday, June 10, at 10:00 am
The 29th Northampton Garden Tour, by Bike
Garden Tour, hosted by Friends of Forbes Library, by bike. Enjoy biking to six spectacular home gardens and support our local library. In partnership with Friends of Northampton Trails, a bike route map will be provided in ticket packets. $20 fee.

Saturday, June 17, at 10:00 am
Westfield: Central Section Grand Opening Celebration
Join us to celebrate the grand opening of the Central Section of the Columbia Greenway Rail Trail A ribbon cutting ceremony at the beginning of the Main Street Bridge, followed by a group walk and roll down the Central Section to the Westfield River Esplanade, where the celebration will continue. The entire community is invited!

Wednesday (Bi-monthly) at 6:00 PM
Wednesday Night Rides - Hampshire Bicycle Exchange
Rides night bi-monthly on Wednesday. Bring your light. Expect some asphalt, some gravel and lots of bumpy single track. More information on Instagram at https://www.instagram.com/hampshirebicycle/ Hampshire Bicycle Exchange in Amherst, MA

MassBike Bike Month Challenges
Carry It With You Challenge: Bicycles are for recreation, transportation, and a self-powered way to haul stuff around town. If you’ve loaded panniers, a rack, or found a way to carry something by bike – we want you to show us! One winner will receive a basket from Nantucket Bike Basket Co.
Be a Bike Buddy Challenge: Bikes are better with friends! This challenge is about sharing the ride with a friend! One winner will receive two bike locks from Kryptonite & two Bay State Bike Month T-shirts (one for the winner & one for the bike bud).
Bike Month Ride Challenge: Looking to log your miles during May? From May 1-31, join MassBikes to Ride Group. The challenge is to get more people riding. Visit: https://www.baysatebikeground/vMonth_challenge
ADVERTISING

The poster was an effective tool to provide a snapshot of all events in the Pioneer Valley. However, it provided limited space to share detailed information about each event. Again, this year, the poster included a QR code to facilitate easy access to the electronic version of the poster, which included hyperlinks to event details furnished by event organizers.

Many event announcements directed people to get further information from MassBike’s website: https://www.baystatebikemonth.org/. Therefore, the website was an effortless way to provide additional information needed.

SURVEY

The annual Bay State Bike Month survey has been a useful tool for obtaining data from participants about their preferences, bicycling frequencies, and needs. Traditionally, this survey helped document the state of bicycle ridership in the region. Results from the survey are used to support future bike-related programs, policies, and projects. This year, MassBike distributed the survey questionnaire to their email list and posted it to social media outlets. The 2023 Bike Month Survey can be viewed at the following link: 2023 Bike Month Survey

Six of the fifty-one responses to the statewide survey came from residents of the Pioneer Valley who either took part in or hosted a bike month event. Respondents came from various parts of the region. Four out of the six indicated that the Bike Month events encouraged them to ride their bicycles. All respondents were 35 years of age or older and half of them were 55 or older. The majority were men. The following excerpts are from responses to three of the questions.

1) What was your favorite part of Bay State Bike Month?
   • Biking.
   • Enjoyed the networking for Bay State Bike Month.
   • That bikes are more present in the media.
   • Seeing all of the options for riding in events besides our event.
   • There was an event in the next town I could go to.

2) What can we do to make Bay State Bike Month better in 2024?
   • Better advance notice, more events in Western Mass.
   • Our poster at PVPC was put out a bit late (after May 1st) and ended up being a glorified schedule, super hard to read. Needed better design from a graphic designer.
   • I’d like to see lots of small scale (table) information stands all over educating folks on the current and future state of bike laws and infrastructure.
• More options for celebrating bike events.
• Our town used to sponsor a bicycle breakfast event, which it does not do any more. It would be great if it continued to sponsor it in the future. Amherst is falling back further and further in bicycle awareness in comparison to surrounding towns.

3) What additional feedback do you have about Bay State Bike Month?
• Could use regional Bike/Ped groups meet & greets. Rides sort of accomplish this but more explicit event might help.
• In events we used to be able to renew our membership in person. It is not possible anymore, for some reason, which means my membership is slacking.

FUTURE GOALS

PVPC staff worked with Bike Month organizers and the Pioneer Valley Bicycle and Pedestrian Sub-Committee to establish the following goals for future events to celebrate the annual Bike Month.

• Encourage family friendly events as an opportunity to educate and promote the next generation of riders.
• Focus on health benefits and education of all ages, while promoting a multimodal transportation network to offer alternative transportation choices within the pioneer valley.
• Work with the PVPC Bike/Ped Committee to identify new communities to engage in future Bike Week Events for next year.
• Promote better attendance by grouping Cities that could work together, while identifying routes that make connections to and from each.
• Use future bike month planning meetings as an opportunity for event hosts to collaborate on creating larger events. Fewer but larger events could be more attractive to participants.
• Work with MassBike to develop and promote new events for next year.
• Research options for age-friendly participation in Bike Month Planning to remove potential technical barriers.
• During the planning stage, remind participating event hosts to include groups of people with disabilities in their outreach efforts.
• Offer family friendly bike rides throughout the region. The monthly nature of the Northampton Bike Party is an effective way to build community. Building on critical mass rides nationwide, the local initiative has turned into a social gathering including some treats at the completion of a casual group ride down the main street of a community.
• Increase efforts in social media coverage to promote Bike Month events.
• Work with communities to help them promote their events.
• Continue to work on improving the ability to promote events. Media outreach worked well using flyers and postcards sent out as well as advertisements on local radio.
• Address the issue of a text heavy poster due to doubling of the number of events. The use of a graphic with a QR code pointing to the detailed schedule of events could be more effective. Or offer a choice for a sub-regional poster that lists fewer events close to where the poster is being hung. An example would be to group Easthampton, Holyoke and Northampton events in one poster. Another idea is to color code events or group them by town/city to easily identify event locations in a busy poster.
• Increase organization and coordination around the information being presented and other potential activities during the bike breakfast event. Work more with the local bike shops for this event.
• Most people who rode their bikes from Easthampton to Northampton to attend the bike breakfast seemed to be more experienced bikers as opposed to casual bikers. Given the time of the event in the morning and during the school year, the attendees were all adults. Maybe in the future, there could be some way to attract a wider aged audience.
• Explore the use of automated counters to detect participation at major events.
• Promptly reach out to Bike Week Event Organizers to get estimates of attendance at the conclusion of Bike Month.

NATIONAL BIKE MONTH

Home » Events » National Bike Month

NATIONAL BIKE MONTH

May is National Bike Month, promoted by the League of American Bicyclists and celebrated in communities from coast to coast. Established in 1956, National Bike Month is a chance to showcase the many benefits of bicycling – and encourage more folks to giving biking a try.

In 2023, we’ll be celebrating all the ways people bike during National Bike Month. There are so many ways to celebrate Bike Month: with a commute during Bike to Work Week (and Day!), biking to coffee or around the block, or riding on May 7 for National Ride A Bike Day.

Whether you’re riding for fun, fitness or with family, or taking essential trips to work or shop, you are part of our movement for safer streets, connected communities, a healthier planet, and happier people.

As the national sponsor of Bike Month, the League provides resources to help you and local organizations in your area plan an event, and each year the number and diversity of Bike Month celebrations continues to grow, accelerating the momentum around bicycling nationwide.

Save the Date
Bike to Work Week 2023 will take place May 15-21, 2023, and Bike to Work Day is on Friday, May 19!
Bay State Bike Month in the Pioneer Valley – 2023 Annual Report

**PIONEER VALLEY EVENTS POSTER**

**2023 Bay State Bike Month**

**Events For Everyone in the Pioneer Valley**

**Saturday, May 6, at 10:00 AM**

**AMC - Introduction To Recreational Road Riding**

Advance registration required for location details in Hatfield. For new people to recreational group cycling, 14 miles mostly flat, relaxed, group riding (9-11 mph). Safety/riding instruction and helmet fit check. Build confidence, learn bicycle upkeep, prepare for challenging rides. Road/ hybrid bike and a helmet needed.

**Riding to Make Springfield's Roosevelt Ave. Safe**

A Bike Audit: Help Walkbike Springfield improve the cycling safety of the 1.3 mile Roosevelt Ave. Cyclists document safety issues from East St. (return to Central) and then to Alden St. (and return) – total 6.6 miles. Foam noodles will demonstrate the 4-foot distance that vehicles must provide “vulnerable road users” per the newly enacted legislation. Springfield Central High School 1840 Roosevelt Ave. Springfield.

**Friday, May 12, at 12:00 PM - May 23, 2023**

**Northampton Art Wall**

The Art Wall provides a safe space for people to share their trail-related doodles, drawings, poetry & thoughts. The Art Wall is located behind Taco Bell at the intersection of the MCRT and the NNHNGC trails, 203 King St Northampton, MA.

**Saturday, May 13, at 10:00 AM**

**AMC intro to Recreational Road Cycling - Whitely**

Advance registration required for location details in Whitely. For people new to recreational group cycling, 15 miles mostly flat, relaxed, group riding (9-11 mph). Safety/riding instruction and helmet fit check. Build confidence, learn bicycle upkeep, prepare for challenging rides. Road/ hybrid bike and a helmet needed.

**Thursday, May 13, from 12:00 pm - 3:00 pm**

**Northfield Mountain Ride and Relicensing Education Session**

Learn and get involved with the FirstLight relicensing and join a local group ride hosted by Bicycle World on the beautiful trails at Northfield Mountain. Intermediate level ride, but with some technical billy terrain so bring your climbing legs! Northfield Mountain Recreation and Environmental Center 99 Millers Falls Rd, Northfield. Sign up here to save time at the trailhead: https://x.glnls.io/e/txUQnqJb

**Sunday, May 14, at 1:00 pm**

**Walkbike Springfield’s Second Annual Mural Ride**

Starting at the Seuss character mural under the 91 at East Columbus & State St. (parking available at entrance to Riverfront Park). Slow mostly flat ride to the South End, then to the North End visiting over 20 murals! Ending at Duryea Way on Worthington Street.

**Sunday, May 14 and May 28 at 3:00 PM**

**Bike for Bagels on the Rail Trail, Westfield, MA or Hadley, MA**

Alternating locations, Westfield, please park near the Rail Trail at Westfield Stop & Shop and in Hadley behind the Hadley Walmart. Locations alternate each week. This is a 20 mile round trip ride. Please contact Dnejaholjokoyenze@hollyoke Urban Bike Shop in advance to verify which location falls on either date.

**Tuesday, May 16, at 8:00am - 9:30am**

**Franklin County 2023 Bike Breakfast**

Celebrate Bike Week with the Franklin Regional Council of Governments and the Franklin Regional Transit Authority at the Transit Center near concourse. Juice, coffee, fruit, and some sweet treats will fuel your morning bike commute.

JW. Oliver Transit Center, 12 Olive St, Greenfield.

**Wednesday May 17, at 7:30am - 10am**

**Northampton Bike Breakfast**

Walk, ride or roll-in to a simple outdoor breakfast with other cyclists and their families. A variety of bike clubs, advocates and reps will be on site promoting the many benefits of biking in our communities. Enjoy a free bagel, coffee, fruit, and pastries on your way to work or to simply start your day in style. Corner of Merrick Lane and King St. near Calves Theater and Hotel Northampton in Northampton, MA, Friends of Northampton Trails.

**Wednesday, May 17, at 7:00pm - 8pm**

**Westfield: Ride of Silence**

Cyclists will take to the roads in a silent procession to honor cyclists who have been killed or injured while cycling on public roadways. The Ride of Silence is a free ride that asks its cyclists to ride no faster than 12 mph, wear helmets, follow the rules of the road, and remain silent during the ride. Westfield Middle School, 30 W Silver St Friends of the Columbia Greenway Rail Trail.

**Thursday, May 18, from 6:00 pm - 7:30 pm**

**Fish Migration Bike Party**

Connecticut River Conservancy is partnering with Friends of Northampton Trails on a family-friendly ride that will follow the fish that migrate up the Connecticut River and its tributaries. This ride will be educational and fun! Join us!

Friends of the Columbia Greenway Rail Trail, Inc.
May 1 at 7:30 AM

Today is May 1st, which means Bay State Bike Month has begun!

Bike Month is a celebration of all things bicycling all across the state and country, including in our own city of Westfield!

There are many events in and around our area to celebrate Bike Month, including the Ride of Silence and the Mayor’s Ride here in Westfield!

Check out all the events going on this month at https://www.baystatebikemonth.org.
Today, Sunday May 7th, is National Ride a Bike Day!
And MassBike is right, there’s no better place to enjoy the day than the Columbia Greenway Rail Trail here in Westfield!
So get out there on your bike and enjoy the beautiful weather!

Today, May 7, 2023, is National Ride A Bike Day! Take this post as a sign that it's time to grab your bike, check your ABC's (Air, Brakes, Chain), put on your helmet, and get rolling.
There are so many beautiful places to ride in Massachusetts, like the Columba Greenway Rail Trail in Westfield pictured here. Thanks to the advocacy of the Friends of the Columbia Greenway Rail Trail, Inc. for supporting such a gorgeous trail!
Where will your bike take you today?
Come help us evaluate cycling on Roosevelt Ave. We’ll use Pool Noodles to educate drivers about the new Give at least 4’ to pass all vulnerable road users. Casual pace, lots of opportunities to stop and assess the roadway.

Please join us for a bike ride. Meet at Central High, 6 PM, Thursday, May 11. A 6.6 mile ride. Also an audit of Roosevelt Ave for bike safety and a demonstration ride of the new 4ft passing law (bring a swim noodle if you have one).
Friends of Northampton Trails

Come be creative on the trail!

May 2 at 12:22 PM · 😊

May is Bay State Bike Month and there are lots of fun things happening. Join us for these events coming up:

May 10 History of the Florence Rail Trail: Register at HistoricNorthampton.org.

May 12 - 22 ART WALL: Come doodle on the art wall on the rail trail behind the Taco Bell. ... See more
Friends of Northampton Trails is hosting the Northampton Community Bike Breakfast this Wednesday, May 17th! Check out their event below for more details.

Other Bike to Work Week events in the region include:
- Mon, 5/16 - Franklin County 2023 Bike Breakfast
  (https://www.baystatebikemonth.org/…/franklin_county…)
- Wed, 5/17 - Bike to Bike Breakfast from Easthampton
  (https://www.baystatebikemonth.org/…/bike_to_bike…)
- Fri, 5/19 - Springfield Bike to Beignets (https://www.baystatebikemonth.org/betsyg…/bike_to_beignets)
Thank you to everyone who joined us on the Ride of Silence. It was a meaningful experience for us all, and we certainly raised awareness among motorists and others along the way that cyclists have legal right to use the roadways.

Riders wore black armbands to honor someone who was killed, and a red one if they themselves had been injured.
It was a beautiful day for Northampton's annual Bike Breakfast! At the packed event, Northampton Mayor Sciarra proclaimed May 17, 2023 as Bike Commute Day in the city.

Jes, MassBike Communications Coordinator, joined a variety of local bike-friendly organizations tabling at the event including Friends of Northampton Trails, Western Mass Appalachian Mountain Club, Northampton Cycling Club, Will Bike 4 Food, Western Mass New England Mountain Bike Association (NEMBA), & Speed and Sprocket Cycle Works.

Bike to Work Week continues to roll along, with more events happening across the state. Find an event near you at www.baystatebikemonth.org.

FISH MIGRATION BIKE PARTY

THURSDAY, MAY 18TH
6 - 7:30 PM Meet in Pulaski Park

TO REGISTER FOR FREE, SCAN QR CODE OR VISIT:
HTTPS://FISH-MIGRATION-BIKE-PARTY.EVENTBRITE.COM

Connecticut River Conservancy is partnering with Friends of Northampton Trails on a family-friendly, casual 90-minute ride that will follow the fish that migrate up the Connecticut River and its tributaries. This ride will be educational and fun! Join us!
On Thursday, May 18th at 6pm join Connecticut River Conservancy (CRC) and Friends of Northampton Trails (FNT) for an educational bicycle ride through the Mill River watershed in Northampton!

The ride will follow the fish that migrate up the Connecticut River and its tributaries at this time of year. Participants are encouraged to decorate their helmets and bicycles to go along with the fish theme and we will have additional supplies to create your own fish fins or tail to attach to your bicycle.
