

Public Information Meeting

Chesterfield – North Road & Damon Pond Road Improvements

What is happening?

The purpose of this hearing is for MassDOT and the Town of Chesterfield to provide the public with the opportunity to become fully acquainted with the proposed Intersection and Corridor Improvement at North Road & Damon Pond Road. The proposed design changes include : A double yellow center line, Three-foot shoulder line pavement markings on both sides, Bicycle symbol pavement markings, Replacement of concrete culvert down stream of Damon Pond Rd

How will this affect you?

The proposed changes are intended to provide a safer route of travel for vehicles and bicyclists by improving sight distance visibility and by suggesting to “share the road”. During the replacement of culvert, a temporary detour is planned using Main Rd and Sugar Hill Rd to regulate traffic.

When

Wednesday, March 13, 2024
6:00 pm

Attend

The Community Center
400 Main Road
Chesterfield, MA 01012
